About Us

At **Fletcher Orthodontics**, we can help you get that perfect smile you've always wanted, without the hassle! Looking for a solution to whiter, straighter teeth? We can help you! Our personalized, friendly **services** ensure you will get quality orthodontic services. You can get a perfect smile without brackets, wires, or brands. We are a **certified Invisalign orthodontist office**, so that means you can get your **teeth straighter without unnecessary obvious-looking brace bands**.

We also use **The Damon System**, which helps with **self-litigation of teeth**. This comfortable tooth system will give you the benefits of leveled teeth, because of the new technology it uses. **[Find out more on our site!](#)**
